**UNOPPOSED MOTION TO CONTINUE SELF-SURRENDER DATE**

TO THE HONORABLE UNITED STATES DISTRICT JUDGE:

NOW COMES Defendant Jared Patton Roark, through undersigned counsel, and files this unopposed motion to continue his self-surrender date, showing the Court as follows:

On September 20, 2019, the Court sentenced Mr. Roark was to 33 months imprisonment, followed by 3 years of supervised release. The Court allowed Mr. Roark to self-surrender.

Mr. Roark appealed the conviction and the Court allowed Mr. Roark to remain free on conditions of release during the pendency of the appeal.

On November 4, 2020, the mandate issued affirming the conviction.

On January 5, 2021, the Bureau of Prisons notified Mr. Roark that he was to to self-surrender at FCI Three Rivers on January 15, 2021, by 2:00 PM.

The coronavirus pandemic remains unchecked in the United States and the state of Texas. Positivity test rates remain dangerously high in the region. While vaccinations are becoming available, they remain in limited supply. Mr. Roark requests that the Court delay his date to self-surrender to a BOP facility to no earlier than March 1, 2021. This will allow pandemic conditions to abate and for Mr. Roark to arrange his personal affairs before surrendering to commence his term of imprisonment.

Assistant U.S. Attorney Douglas Gardner representing the government is not opposed to the Court continuing the surrender date to a date not earlier than March 1, 2021. Mr. Gardner advised that the Government would oppose any further extensions beyond the March 1, 2021 date.

Mr. Roark, therefore, respectfully requests that his self-surrender date be continued to a date no earlier than March 1, 2021.

Respectfully submitted.
